

Student Book Of College English 13th Edition

This classic rhetoric-reader-handbook offers students a complete course in writing in the rhetorical modes in one comprehensive volume. For 30 years, Student's Book of College English has enjoyed a reputation for clarity, accessibility, and comprehensiveness. This Tenth Edition continues the tradition with sound instruction in the rhetorical strategies, strong professional and student readings, thorough coverage of argumentation and research, and a reference handbook with self-test exercises. Revised to reflect important innovations in composition pedagogy, this edition also features increased attention to visual elements, updated discussions of Internet research and documentation, and a new section for ESL students. This affordable Books a la Carte Edition features the exact same content from our traditional textbook in a convenient, notebook-ready loose-leaf format -- allowing students to take only what they need to class. As a bonus, the Books a la Carte Edition is accompanied by a full-color, laminated Study Card that's a perfect tool to help students prepare for exams.

Routledge English Language Introductions cover core areas of language study and are one-stop resources for students. Assuming no prior knowledge, books in the series offer an accessible overview of the subject, with activities, study questions, sample analyses, commentaries and key readings – all in the same volume. The innovative and flexible 'two-dimensional' structure is built around four sections – introduction, development, exploration and extension – which offer self-contained stages for study. Each topic can also be read across these sections, enabling the reader to build gradually on the knowledge gained. This revised second edition of History of English includes: ? a comprehensive introduction to the history of English covering the origins of English, the change from Old to Middle English, and the influence of other languages on English; ? increased coverage of key issues, such as the standardisation of English; ? a wider range of activities, plus answers to exercises; ? new readings of well-known authors such as Manfred Krug, Colette Moore, Merja Stenroos and David Crystal; ? a timeline of important external events in the history of English. Structured to reflect the chronological development of the English language, History of English describes and explains the changes in the language over a span of 1,500 years, covering all aspects from phonology and grammar, to register and discourse. In doing so, it incorporates examples from a wide variety of texts and provides an interactive and structured textbook that will be essential reading for all students of English language and linguistics.

English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills.

The MEGA-GUIDE to 1,349 COLLEGES AND UNIVERSITIES! Indexes based on cost, selectivity, and size that will help you narrow your search Get a leg up on your college search with this easy-to-use, comprehensive, and savvy guidebook from the experts at The Princeton Review.

"From the critically acclaimed author of Vox comes a suspenseful new novel that explores a disturbing alternate reality where the government has legalized eugenics. Elena Fairchild is a teacher at one of the state's new elite schools, where children undergo routine tests for their quotient (Q). Those who don't measure up are placed in the many state boarding schools that have cropped up under a new government mandate--Elena's daughter, Freddie, is one of them. In order to be with Freddie, Elena immediately requests to transfer to the state school. To her horror, she learns that the children are receiving the bare minimum of instruction. Instead, they spend their days making handcrafted goods--valuable commodities in the age of machine-made products. What began as a shock quickly becomes a nightmare as Elena discovers the terrifying atrocities inflicted upon the students. Not only have their test scores been tampered with, but they're also unwitting subjects of experiments, one of which tests a new method of chemical sterilization. The plan? To render all adolescents with undesirable quotients infertile...and Freddie may be next in line"--

The course that gets students talking.

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. "For courses in English Composition. " A complete course in writing, in one comprehensive volume Acclaimed for its clarity and accessibility, "Student s Book of College English, " Fourteenth Edition offers a rhetoric, reader, research guide, and handbook in one cohesive and efficient presentation. The rhetoric appeals to students with its straightforward and jargon-free style. Instructors appreciate its coverage of the

writing process, the rhetorical modes (including argumentation), and its chapter on writing about literature. The reader includes selections from sources ranging from academia to the Internet on timely topics that pique students interest. The in-depth coverage of research methods, as well as the complete treatment of grammar and usage, make an ancillary handbook unnecessary, a cost-savings enjoyed by students and teachers alike. "

Offers complete in-depth preparation for the Cambridge IGCSE in English as a Second Language (E2L) examination. The revised edition of this highly successful course offers complete preparation for all papers of the Cambridge IGCSE in English as a Second Language examination. The book is endorsed by Cambridge for use with the revised syllabus. Key features include: stimulating topics, international in perspective and relevant to IGCSE students educational needs and interests; step-by-step development of the four skills to build confidence and competence; particular attention to developing a mature writing style with a focus on tone, register and audience awareness; exercises in grammar, vocabulary and spelling.

More than simply a vital collection development tool, this book can help librarians help young adults grow into the kind of independent readers and thinkers who will flourish at college.

Comprehensive student-friendly resources designed for teaching Cambridge International AS and A Level English Language (syllabus 9093 for first examination in 2015). The core aim of this Coursebook is to help students to develop and apply the key skills they need to achieve in AS and A Level English Language. They will build the skills needed for assessment through frequent activities. Divided into two distinct parts for AS and A Level studies, the book covers a wide range of reading skills, such as understanding aspects of style, voice and tone. It also addresses the conventions of key kinds of writing and spoken language, from scripted speeches to travel articles, and looks at how they can capture these conventions in their own work.

English Plus is a flexible and supportive course that builds confidence through graded practice.

"Future is a six-level, four-skills English course for adults and young adults correlated to state and national standards"--

"For courses in English Composition. " "This version of Student's Book of College English has been updated to reflect the 8th edition of the MLA Handbook (April 2016) *" A complete course in writing, in one comprehensive volume Acclaimed for its clarity and accessibility, Student's Book of College English, Fourteenth Edition offers a rhetoric, reader, research guide, and handbook in one cohesive and efficient presentation. The rhetoric appeals to students with its straightforward and jargon-free style. Instructors appreciate its coverage of the writing process, the rhetorical modes (including argumentation), and its chapter on writing about literature. The reader includes selections from sources ranging from academia to the Internet on timely topics that pique students' interest. The in-depth coverage of research methods, as well as the complete treatment of grammar and usage, make an ancillary handbook unnecessary, a cost-savings enjoyed by students and teachers alike. **The 8th edition introduces sweeping changes to the philosophy and details of MLA works cited entries. Responding to the increasing mobility of texts, MLA now encourages writers to focus on the process of crafting the citation, beginning with the same questions for any source. These changes, then, align with current best practices in the teaching of writing which privilege inquiry and critical thinking over rote recall and rule-following." "

Step Forward Second Edition provides the essential language, skills and rigorous content adult English language learners need to move confidently towards their work and academic goals. Newly revised to align with the College and Career Readiness Standards and the English Language Proficiency Standards, Step Forward ensures that learners are well prepared to use their English in the real world. Step Forward features a full suite of easy-to-use resources, including tests, lesson plans, multilevel activities and the Oxford English Vocabulary Trainer app, ensuring that every teacher can teach the content with confidence and every student can achieve their goals.

An enhanced digital version and free Teacher's Resource are also available.

Package consists of 0205648614 / 9780205648610 MyCompLab -- Valuepack Access Card (12-month access) 0205741789 / 9780205741786 Student's Book of College English: Rhetoric, Reader, Research Guide, and Handbook, MLA Update Edition

Student's Book of College English offers students a complete course in writing in one affordable volume: a comprehensive rhetoric-reader- handbook, providing an all-in-one introduction to college composition. Student's Book of College English has enjoyed a reputation for clarity, accessibility, and comprehensiveness for over 25 years. Additions to the Ninth Edition enhance instruction in the rhetorical strategies, introduce new reading selections, further encourage collaboration, and expand instruction and assignments in argumentation to help students become better readers and writers.

In this book, the authors bring together in one place essential information about college students in the US in the 21st century. Synthesizing existing research and theory, they present an introduction to studying student characteristics, college choice and enrollment patterns, institutional types and environments, student learning, persistence, and outcomes of college. Substantially revised and updated, this new edition addresses contemporary and anticipated student demographics and enrollment patterns, a wide variety of campus environments (such as residential, commuter, online, hybrid), and a range of outcomes including learning, development, and achievement. The book is organized around Alexander Astin's Inputs-Environment-Outputs (I-E-O) framework. Student demographics, college preparation, and enrollment patterns are the "inputs." Transition to college and campus environments are the substance of the "environment." The "outputs" are student development, learning, and retention/persistence/completion. The authors build on this foundation by providing relevant contemporary information and analysis of students, environments, and outcomes. They also provide strategies for readers to project forward in anticipation of higher education trends in a world where understanding "college students in the United States" is an ongoing project. By consolidating foundational and new research and theory on college students, their experiences, and college outcomes in the US, the book provides knowledge to inform policies, programs, curriculum and practice. As a starting point for those who seek a foundational understanding of the diversity of students and institutions in the US, the book includes discussion points, learning activities, and further resources for exploring the topics in each chapter.

Looking to jumpstart your GPA? Most college students believe that straight A's can be achieved only through cramming and painful all-nighters at the library. But Cal Newport knows that real straight-A students don't study harder—they study smarter. A breakthrough approach to acing academic assignments, from quizzes and exams to essays and papers, *How to Become a Straight-A Student* reveals for the first time the proven study secrets of real straight-A students across the country and weaves them into a simple, practical system that anyone can master. You will learn how to:

- Streamline and maximize your study time
- Conquer procrastination
- Absorb the material quickly and effectively
- Know which reading assignments are critical—and which are not
- Target the paper topics that wow professors
- Provide A+ answers on exams
- Write stellar prose without the agony

A strategic blueprint for success that promises more free time, more fun, and top-tier results, *How to Become a Straight-A Student* is the only study guide written by students for students—with the insider knowledge and real-world methods to help you master the college system and rise to the top of the class.
