This Bible edition concentrates on the translation of all chapters and verses of both the Old and New Testaments. Sample chapter: Book of John About this book John's Gospel is one of the four Gospels. 'Gospel' means 'good news'. The Gospels are the books that tell us about Jesus' life on earth. John was one of the three disciples who knew the Lord Jesus Christ best. John called himself 'the disciple that Jesus loved'. We think that John wrote his Gospel in the city called Ephesus. He wrote it some years after Matthew, Mark and Luke wrote their Gospels. He wrote it about 70 years after Christ's birth. John's Gospel is different from the other three Gospels. It does not describe many things that the Gospels of Matthew, Mark and Luke do describe. But it does include many things that are not in the other Gospels. John tells us much more about who Jesus was. John shows us Jesus as the Son of God - the only person who can cause us to live. John teaches us more about God's Spirit, too. At the beginning of his Gospel, John calls Jesus 'the Word'. Chapter 1 The Word became human 1 In the beginning, the Word was already there. The Word was with God. The Word was God. 2 He was with God in the beginning. 3 God made all things by the Word. God did not make anything without him. 4 It is the Word who causes us to live. And because of this, he was the light to all people. 5 The light shines in the dark, and the dark cannot put out the light.

They knew us before we began to walk upright. Shamans called them guardians, mythmakers called them tricksters, pagans called them gods, churchmen called them demons, folklorists called them shape-shifters. They've obligingly taken any role we've assigned them, and, while needing nothing from us, have accepted whatever we thought was their due – love, hate, fear, worship, condemnation, neglect, oblivion. Even in modern times, when their existence is doubted or denied, they continue to extend invitations to those who would travel a different road, a road not found on any of our cultural maps. But now, perceiving us as a threat to life itself, they issue their invitations with a dark purpose of their own. In this dazzling metaphysical thriller, four who put themselves in the hands of these all-but-forgotten Others venture across a sinister American landscape hidden from normal view, finding their way to interlocking destinies of death, terror, transcendental rapture, and shattering enlightenment.
